

Aboriginal Employer Directory Form

The Employers Directory is an online resource located on the Youth Employment Centre's Aboriginal website <http://infonet.nextsteps.ca/abjob.html> and is a great opportunity for employers to highlight opportunities that they have for youth. It provides Aboriginal youth with the contact names of companies who practice workforce diversity and who encourage Aboriginal youth to apply in order that they may find employment.

If your company is interested in being placed into The City of Calgary Youth Employment Centre's "Employers Directory" please fill in the registration below.

For additional questions about the directory, please contact Sherri Liddle, Aboriginal Youth Outreach, at 268-5463 or email sherri.liddle@calgary.ca.
