

# BUILDING FUTURES

## Employment and Independence Training for Youth

Helping People Create Better Lives

### What is it?

Building Futures teaches you the skills important for getting a job, keeping a job, and the difference between starting a job and starting a career.

You will also learn the skills important to building independence; including effective and positive relationships both in your personal life and on the job.

### What do I get?

You will earn money while learning about yourself and employment.

You will get the incredible Teambuilding Retreat experience.

You will have the opportunity to be certified in First Aid.

You will get a free bus pass while attending the program.

You will get bonus money when you have completed the program.

You will get help paying for childcare.

### How Do I Get In?

You are between 15 and 30.

You are not working or enrolled in school.

You are not receiving Employment Insurance.

You are legally allowed to work in Canada.

You are able to complete a 12 week course.
